

**A manual for registration and login to  
the Vehicle Management Software (VMS)**

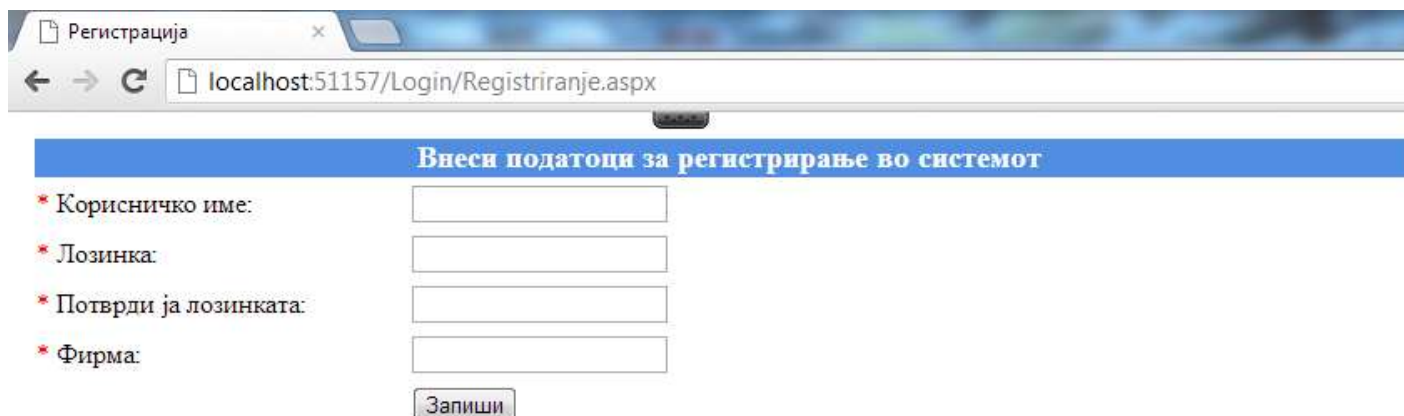

By clicking the link for the demo version of the Vehicle Management Software a link will open as the one shown below in image 1.

A screenshot of a web browser window showing a login page. The browser's address bar displays the URL "elikosoft.no-ip.biz:3392/Login/login.aspx". Below the browser window, there is a blue header bar with the word "Логирање" (Login) in white. Underneath, there are two input fields: "Корисничко име:" (Username) and "Лозинка:" (Password). At the bottom, there are two buttons: "Регистрирај се" (Register) and "Најава" (Login).

Image 1. Demo User Login and Registration Box

Before you login to the system you will be first required to register. The registration is performed only once and the username and password created by the registration are used further on for system login.

To register click the **Регистрирај се** button and a window will open as the one shown in image 2.

Регистрација
